Re: MUR 6077

Dear Mr. Jordan and Ms. Collins:

We appreciate your consideration in granting our request for a 20-day extension to respond to the complaint in the above-captioned matter. Our response is now due November 12.

Unfortunately, I will be undergoing unexpected knee surgery today that will significantly impair my ability to continue to work with my client on this matter. As a result, an additional 10 days will be necessary to prepare a response to the complaint. Because November 22 is a Saturday, I respectfully request an extension until Monday, November 24.

Once again, your favorable consideration of this request will be appreciated.

Sincerely,

Jan Witold Baran
